## RESOURCES FOR Small Businesses

### SBA Lending

We are proud to be an SBA lender to help offer financing to smaller businesses in Pennsylvania. SBA Loans offer more flexibility with longer terms to help business owners. Our team can help you determine if an SBA loan could be a good fit for your small business.

### Merchant Services

Maximize your revenue potential with merchant services. We partner with Fitech to provide solutions and services that best fit your needs. From countertop terminals to full-scale point-of-sale systems, and with services like next-day funding. Plus, we also implement fraud-prevention tools including EMV, tokenization, and encryption to ensure your transactions are both safe and secure. With 24/7 customer support, our solutions grow in lockstep with your business.

### Autobooks

A solution for your business to simplify finances! Autobooks offers invoicing, payments and accounting all in one program.

### Business Minute Lender

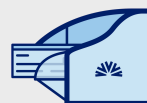

### Business Minute Lender

Our business lines of credit gives you the extra funds and flexibility you need to help your business grow. We offer a variety of products at competitive rates that help you from supporting working capital needs to seasonal fluctuations in inventory.
